All times are approximate and may be adjusted. Be prepared to be flexible. Bring money to buy concessions or pack food if you wish. There will be different meal options available at UMD. When we participate in events such as this, students are expected to conduct themselves **professionally and appropriately** at all times. The student Code of Conduct will be strictly enforced. Students who fail to uphold these expectations will lose grade points from the Procedures and Practices grade and may be subject to disciplinary action. **Parents, please plan on attending the performance!** The festival is free and open to the public. Your teenager may not show it, but they do very much appreciate your support. Performing for a large audience is exciting as a performer and many times these festivals have far too many empty seats. We want the best and largest audience support. Please fill out the form below, detach and return to Mr. Ellis no later than Monday, March 23rd .
